DR. JOHN R. MOTT AT PINE STREET
FEBRUARY 11TH

I am confident that the most universally known individual name is John R. Mott, for many years Senior Secretary International Committee of the Young Men's Christian Association, but as a result of the recent reorganization of the Brotherhood is now Executive Secretary of the National Council of the Young Men's Christian Association.

Why is Dr. Mott, as Ex. Pres. Wilson said, "the most popular man in the world?" As leader of Y. M. C. A. Dr. Mott has traveled in practically every country in the world, spoken to the citizens of the nations carrying them his most wonderful message of the Christ. His presence among the nations of the world means Peace, Good will, cheer, comfort of mind and heart as well as prosperity, physical, mental and spiritual growth.

This great citizen of international prominence, while in St. Louis will address the members and friends of Pine Street Y. M. C. A. Wednesday, February 11th. Reserve the date and hear him.

Mrs. Geneva Story, a member of Union Memorial Choir was the Soloist at our New Year's Sunday service, January 11th. Mrs. Story rendered two most excellent numbers to the enjoyment of all. She was accompanied by Mrs. Walter Elsford.

BIBLE STUDY

The interest in the Bible Study group is increasing each Sunday. Mr. J. M. Chiles, Promotional Secretary of Pine Street "Y" led the discussion. He made an appeal to the young men to live clean and wholesome lives, for every act committed shall be as a torch to guide the footsteps of their posterity.

A few minutes were given for asking and answering questions in which most of the men participated.

Mr. Chiles' closing words were: "Let us pray for a penetration of home life in all parts of the world with Christian fellowship and liberty; for parents, brothers, sisters, unmarried adults who give so much to home life; for young people preparing to marry, that their union may be based on the love of Christ and that his spirit may fill the new home."

Subject for Sunday: "Following Christ," led by Mr. E. E. Clay.

Read John 21:19, Luke 9:61, Matt 4:16-22; Luke 9:57-62, 10:1-2.

Are you following Christ? If so, where is your brother? Bring him with you to the Bible Study class. Let us pray that the Bible study group may become the mecca of St. Louis for men following Christ.

SAVE—FOR—CAMP

Mr. George W. Buckner brought a wonderful message on 'How to Save,' to the boys who attended the Life Builders' Club last Sunday and the boys will never forget it because he offered them a splendid plan by which they will be able to GO TO CAMP with ease and comfort.

The Plan

The plan is simply this: The Peoples Finance Corporation (of which Mr. Buckner is Manager and Vice President) will permit any boy who is a member of the Y to open an account with their savings bank with 25 cents as the first deposit and 25 cents per week from now to camp time. Of course a boy may deposit more per week if he wants to or, in some cases, he may deposit less than a quarter a week.

And NOW any boy who does not have money for camp when camp time comes will be too lazy to enjoy camp if he should get there as the result of some body else's THRIFT.

E. B. B. Receives Invitation

The Employed Boys Brotherhood of Pine Street Branch Y. M. C. A. formed temporary organization Thursday the 8th and elected Clarence Ellis, president, Chas. Zomphier, Vice president; Preston Banks, Secretary, John Day, Assistant Secretary-Treasurer. After the election each officer elect responded to the request for 'speech, speech' in a sane and sensible way which means the first E. B. B. at Pine St. is in the hands of leadership which means to lead it to the forefront among the E. B. Brotherhood of the world.

An Invitation

The Club received an invitation from Mr. H. S. Keitner, City Boys Work Secretary in charge of the St. Louis Employed Boys' Brotherhood, to attend a joint meeting of the E. B. B. of St. Louis to be held January 21st at Christ Church Cathedral. The principal speaker will be Mr. Joe Friday, a full blooded Indian, who has given his life to Christian service. We want to be represented by fifty-five fellows, let's go.
